[Become Web Design PRO with Figma in 2026 — Udemy](#) May 12, 2026

Instructor: Divyanshu Singh | 20.5 total hours

PROJECTS (MOCK / PRACTICE PROJECTS)

Starbucks Café — Landing Page UI Design

- Designed and built a premium café-brand landing page concept ('Brewed with Precision, Served with Soul') for a specialty coffee experience, with an animated hero section and artisan brand storytelling.
- Focused on typography, imagery and micro-interactions to give a luxury, editorial feel to a food & beverage brand.
